Classic Layout

Spacious 1,000+ sq.ft. 2 bedroom apartment with patio or balcony. Wall to wall berber carpet. The kitchen is the center of the living area and opens up generously toward the dining room. Living and dining areas are separate but still open with plenty of natural light.

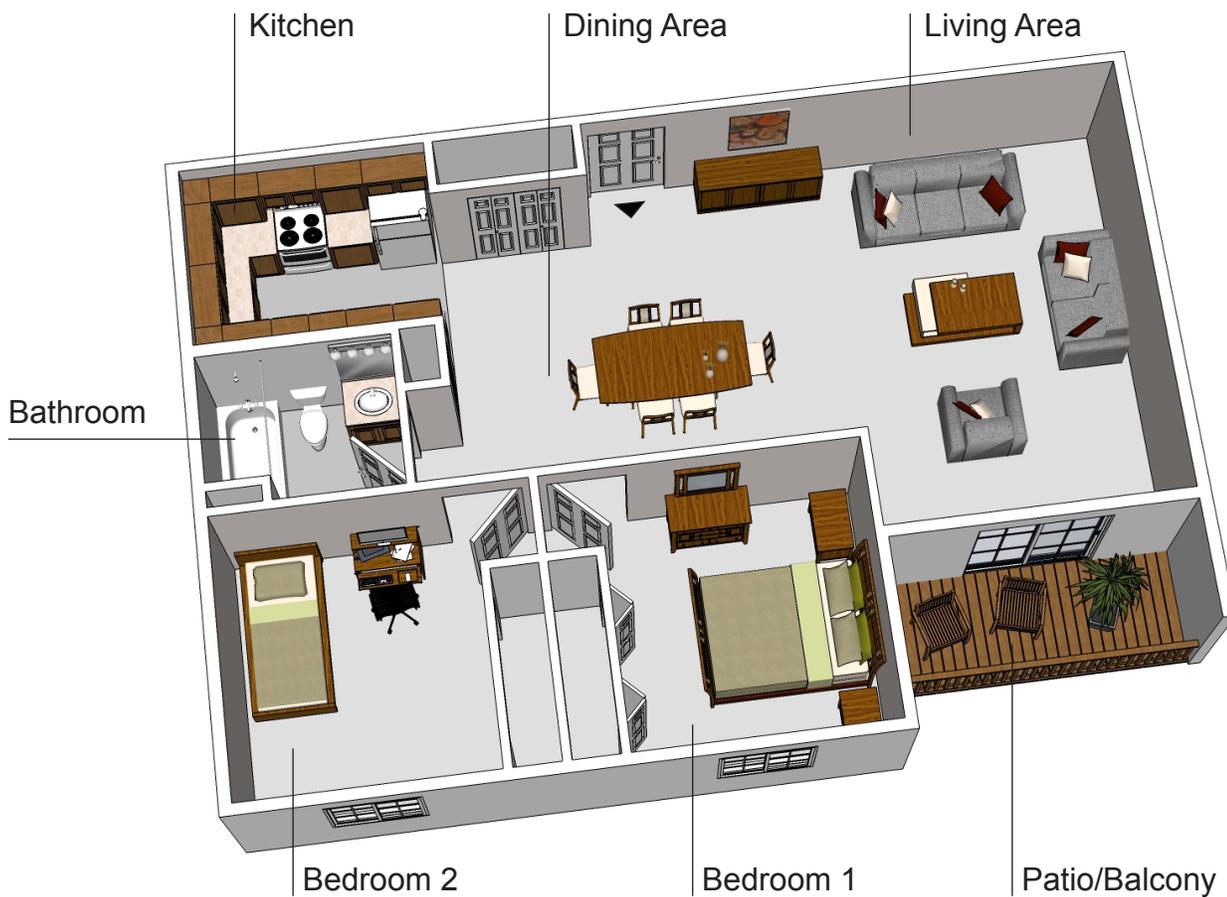

"It's so quiet and peaceful here. I feel safe and I like that people watch out for one another"

Natalie

Great Room Layout

Spacious 1,000+ sq.ft. 2 bedroom apartment with patio or balcony. Wall to wall berber carpet. Living and dining areas are combined to form an impressive grand room. This open floor plan allows for various furniture layouts and maximum flexibility.

"I love my apartment, it's so big. And I have a great view. It's so quiet and I can watch the deer from my balcony." Mary
